Part A: Pupil premium strategy plan

Statement of intent

At Ashby Hastings Primary School, we have high aspirations and expectations of all of our pupils irrespective of their background or the challenges they face. We are committed to ensuring each individual achieves their true potential. It is our priority to remove barriers to learning and help our children develop the skills necessary for them to achieve success throughout their lives.

We are committed to ensuring the achievement of pupils who are eligible for Pupil Premium is equal to the achievement of non-eligible pupils. We, as a school, are able to determine how best to use the Pupil Premium grant to support pupils and raise education attainment; we have planned an overall package of support that is aimed to tackle a range of barriers as specified below.

High quality learning and teaching is at the heart of our approach, with a focus on areas in which disadvantaged pupils require the most support. This is proven to have the greatest impact on closing the disadvantage attainment gap and at the same time will benefit the non-disadvantaged pupils in our school.

Our ultimate priorities are to:

- act early to intervene at the point need is identified.
- adopt a whole school approach where all staff take responsibility for disadvantaged pupils.
- to ensure that all pupils in receipt of pupil premium make good progress to ensure that they are either working at age related expectations or making accelerated progress to ensure the gap is narrowing.

In order to achieve our objectives and overcome identified barriers we will ensure:

- staff are provided with high quality CPD to ensure all pupils access quality first teaching.
- provide targeted intervention for all pupils to participate in learning including the use of small group work and 1:1 tuition.

This is regularly reviewed and strategies will be adapted to meet the needs of individuals.

Key Principals:

Through a combination of high-quality teaching, targeted small groups and one-to-one support and a focus on the development of the whole child, we will nurture and support all pupils to take pride in their individual achievements, encouraging them to

contribute to lessons and wider school life. We aim to improve the outcomes for our vulnerable and disadvantaged children in all areas of the curriculum.

Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Gap in attainment between pupil premium pupils and non-pupil premium pupils in Maths, Reading and Writing.
2	The gap between the attendance of pupil premium pupils is at risk to be lower than that of non-pupil premium pupils.
3	Experience of key life skills and experiences due to low stimulation outside of school and limited experiences.

Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
To narrow the attainment gap between pupil premium children and their peers through high quality teaching and well planned for interventions.	<ul style="list-style-type: none">- Gap between pupil premium pupils and non-pupil premium pupils narrows in GLD at the end of EYFS.- Gap between pupil premium pupils and non-pupil premium pupils narrows in the expected standard in Year 1 Phonics Screening.- Class teachers to have high level of knowledge of individual children's steps.- Phonics scheme to continue to be embedded.- All class teachers to be trained in our Soundwrite phonic scheme.- SENCO and Pupil Premium lead to work closely to support SEND pupil premium pupils in making progress.
To see an increase in attendance for our pupil premium children as well as a decrease in persistent lateness.	<ul style="list-style-type: none">- Gap between whole school and Pupil Premium attendance is narrowed.- Reduce the percentage of disadvantaged pupils who are

	<p>persistently absent vs non-disadvantaged pupils.</p> <ul style="list-style-type: none"> - Parents to feel supported and informed of how their child is being supported in all areas of school life. - Breakfast club spaces offered to pupil premium pupils to ensure punctuality.
For all pupils to have the opportunity to take part in enhanced activities and to experience all opportunities offered by the school.	<ul style="list-style-type: none"> - All pupil premium pupils to attend a school visit each year. - Pupil premium pupils invited to lunchtime and afterschool clubs. - An increase in numbers of pupils attending sporting events and playing musical instruments. - Trips, visits and clubs to be subsidised so pupil premium children have the same opportunities and experiences as others.

Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

Teaching (for example, CPD, recruitment and retention)

Budgeted cost: £1000

Activity	Evidence that supports this approach	Challenge number(s) addressed
For relevant staff to receive training to deliver Sounds-write phonics scheme effectively for whole class teaching and smaller intervention groups.	<p>'Phonics has a positive impact overall (+5 months) with very extensive evidence and is an important component in the development of early reading skills, particularly for children from disadvantaged backgrounds.'</p> <p>https://educationendowmentfoundation.org.uk/education-evidence/teaching-learning-toolkit/phonics</p>	1
Relevant CPD opportunities for all staff linked to Key Stage.	<p>'Once early years provision is in place, efforts to improve the quality of provision – for example by training staff – appear to be more promising than simply increasing the quantity of provision by providing extra hours in the day, or by changing the physical environment of early years settings.'</p> <p>Early Years EEF (educationendowmentfoundation.org.uk)</p> <p>Effective Professional Development EEF (educationendowmentfoundation.org.uk)</p>	1

Part B: Review of the previous academic year

Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2023 to 2024 academic year.

Intended outcome 1 of 2023/2024 strategy:

To narrow the attainment gap between pupil premium children and their peers in EYFS and early reading.

Early Years Foundation Stage Good Level of Development	
Ashby Hastings Disadvantaged	75%
National Disadvantaged	45.5%

This equates to 3 out of 4 pupils achieving EYFS GLD. As numbers are relatively small, this will continue to be monitored.

Year 1 Phonics Screening Check	
Ashby Hastings Disadvantaged	67%
National Disadvantaged	68%

This equates to 2 out of 3 pupils meeting the Phonics screening threshold. As numbers are relatively small, this will continue to be monitored.

Intended outcome 2 of 2023/2024 strategy:

To see an increase in attendance for our pupil premium children as well as a decrease in persistent lateness.

Attendance	%	Gap	%	
Ashby Hastings	95.2%	3%	92.8%	Ashby Hastings Disadvantaged
National	92.9%	4%	88.9%	National Disadvantaged
Persistent Absence	%	Gap	%	
Ashby Hastings	12%	13%	25%	Ashby Hastings Disadvantaged

Intended outcome 3 of 2023/2024 strategy:

For all pupils to have the opportunity to take part in enhanced activities and to experience all opportunities offered by the school.

All disadvantaged pupils participate in extra-curricular activities on offer throughout the year.
